

Essential Resources for Child Care Workers

The following is a catalogue of resources developed and available from

Poster

Children at Play – Poster Set - First edition

10 A3 colour posters reflecting diversity of children at play.

Target Group: All children's services.

Cost: Laminated \$66
Unlaminated \$46.20

Equity, Cultural & Linguistic Diversity

Equity Issue in Child Care – First edition

This publication is dedicated to the goal of allowing and assisting all children to reach their full potential and explores the concepts of access and equity by covering ethnicity, disability, gender and rural issues.

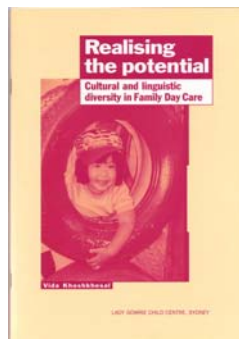

Target Group: All early childhood staff. **Cost:** \$13.20

Realising the Potential: Cultural and Linguistic Diversity in Family Day Care – First edition

A resource designed for family day care schemes interested in implementing cross-cultural/anti-bias perspectives. An effective "how to" guide to working with diversity and for making your service accessible and appropriate to all families.

Target Group: Students, carers and staff working in Family Day Care. **Cost:** \$22

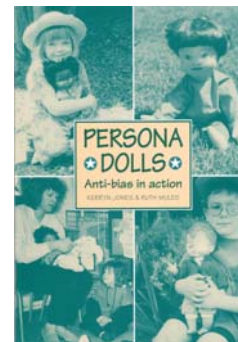

Anti Bias in Action

Persona Dolls: Anti bias in Action – First edition

This book is designed for any professional wanting to help children develop a deeper understanding of diversity. Persona dolls help children to recognise fair and unfair behaviours or situations and give them opportunities to learn ways in which they act against bias.

Target Group: All children's services and early childhood professionals.

Cost: \$19.75

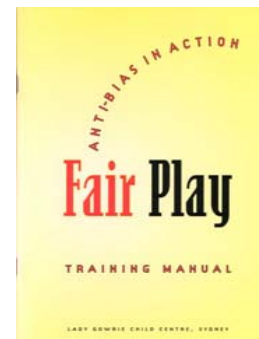

Fair Play – Anti-bias in Action – First edition

This training kit, which includes a video and manual, has been produced to help staff working in early childhood develop and implement an anti-bias approach within their service. It offers practical suggestions to put anti-bias into action.

Target Group: All children's services and early childhood professionals.

Cost: \$66

Occupational Health & Safety

Managing OHS in Children's Services – First edition

This guide includes a CD and contains sample policy, procedures, forms and check lists for managing risk in relation to:

- employers, employees, visitors, contractors etc
- internal and external children's services environments
- noise, heat, cold, chemicals, electrical hazards, infection control, radiation, manual handling, motor vehicles, emergencies, first aid, stress, injury management and much more.

Target Group: All staff in children's services.

Cost: \$80

REPRINTED!!

The NSW Children's Services Health & Safety Committee has reprinted this publication which was originally developed with financial support from NSW Department of Community Services.

Health & Safety in Children's Centres Model Policies & Practices

2nd edition revised, November 2003

This publication can assist children's services to develop health & safety policies suited to their particular needs.

Target Group: All early childhood staff

Cost: \$25 (includes postage)

Food & Nutrition

Note from the Children's Services Regulation 2004 Food & Nutrition
The licensee of a centre based or mobile children's service must ensure a policy is developed and maintained that:

is consistent with the Dietary Guide for Children (the guide published by the Department of Health under the title Caring for Children—Food, Nutrition and Fun Activities)

Caring for Children: Food, Nutrition and Fun Activities
— Fourth edition

This publication includes tips to support appropriate nutrition and food preparation practices, as well as a range of great ideas for implementing food awareness activities at your service

Target Group: All early childhood staff.

Cost: \$25 (includes postage)

A Guide to Documenting Food Safety Plans - First edition

This guide, which includes a disk, contains a number of template food safety plans to assist in identifying the processes undertaken in preparing food in your service.

Target Group: All staff in children's services.

Cost: \$20 (includes postage)

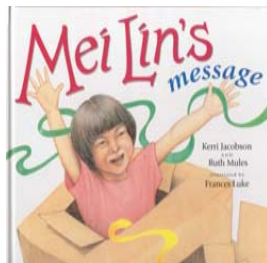

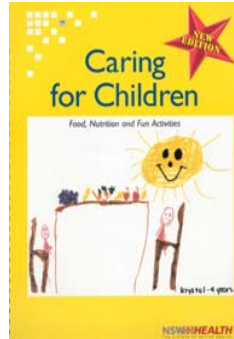

Children's Literature

Mei Lin's Message – First edition

The story is set in an Australian day care centre. The illustrations provide positive images of children from different backgrounds, each with different abilities, playing and working together.

Target Group: Children

Cost: H/B \$20.85 P/B \$10.95
